

The August 2012 fix/upgrade on my Mark III is phenomenal! GOOD JOB!

LazrPulsr Therapy System is the **BEST** modality I've ever run across! Medicine and more importantly **HEALING** have driven me for 50+ years. I've used homeopathy for almost that long, but the addition of those light units, makes healing anyone or any other living creature, almost guaranteed!

After working in the construction industry for 25+ years, but never giving up my true passion - **HEALING** - my path became devoted to my True Passion! In this transition, LazrPulsr came into my world.

After "retiring", I went back to school and became a Licensed Massage Therapist. My "fingers" and "brain" are truly educated! But now, success and healing are almost commonplace! GOD BLESS Dr. Gerry Graham!

Sincerely,
Christine Zack
